

ACTIVITY 5-4

Creating an Image Map

Data Files:

career.html

Before you Begin:

Open Career.html

Scenario:

The career.html page contains a banner image of your website with a logo and the company name. You want users to be able to access the home page of your site if they click a specific region on the image.

What You Do	How You Do It
<p>1. Create hotspots on the image.</p>	<p>a. In the document window, select the banner at the top of the page.</p> <p>b. In the Property Inspector, in the Map section, select the Rectangular Hotspot tool.</p>  <p>c. In the selected image, click and drag from the upper-left corner of the text "Our Global Company" to the bottom-right corner of the text to create a rectangle over "Our Global Company."</p>  <p>d. In the Dreamweaver message box, click OK.</p> <p>e. In the Property Inspector, click in the Alt' text box, type Home and press Enter to set the alternate text of the hotspot.</p> <p>f. In the Property Inspector, in the Map section, select the Circle Hotspot tool.</p>  <p>g. In the selected image, click and drag from the upper-</p>

	<p>left corner near the circular logo to the bottom-right corner to cover the circular logo in the image.</p>  <p>h. In the Dreamweaver message box, click OK.</p> <p>i. In the Property Inspector, click in the Alt text box, type Home and press Enter to set the alternate text of the hotspot.</p>
<p>2. Link the hotspots to the index.html page.</p>	<p>a. In the Property Inspector, in the Map section, select the Pointer Hotspot tool.</p>  <p>b. Select the rectangular hotspot.</p> <p>c. In the Property Inspector, double-click in the Link text box, type index.html and press Enter to link the hotspot.</p> <p>d. Select the circular hotspot.</p> <p>e. In the Property Inspector, double-click in the Link text box, type index.html and press Enter to link the hotspot.</p>
<p>3. Preview the web page in a browser.</p>	<p>a. Save the file.</p> <p>b. On the Document toolbar, click the Preview/Debug in browser button and choose Preview in IExplore.</p> <p>c. Click the text "Our Global Company" in the image to view the home page.</p> <p>d. Click the Back button.</p> <p>e. Click the logo in the image to view the home page.</p> <p>f. Close the Internet Explorer window.</p> <p>g. Close the file.</p>
