Section 2.2

Thinking Globally, Acting Locally

STUDY GUIDE 2.2

Before You Begin

Think about the following question:

Do you care if the clothes you buy are made in America?

Answer: Yes No

If **Yes**, explain why it is important to you to buy American-made clothing.

If **No**, describe why this is not a factor in your clothes-buying choices.

Which countries do you believe supply most of the clothing sold in America?
