

Name _____

Do Nows/Exit Tickets - Web Design 7th Period March 10th - March 14th

Monday - Do Now	Tuesday - Do Now	Wednesday - Do Now	Thursday - Do Now	Friday - Do Now
<p>What divs will your website have?</p>	<p>How do you center your wrapper on the screen?</p>	<p>Will your button menu be across the top (horizontal) in a nav div or will it be on the side (vertical) in a sidebar?</p>	<p>What information will you have in your footer?</p>	<p>Today you will create a header for your site. You should have completed your layout, navigation and footer. Are you up to date? If not, why not and what will you do to get up to date?</p>

Monday – Exit Ticket	Tuesday – Exit Ticket	Wednesday – Exit Ticket	Thursday – Exit Ticket	Friday – Exit Ticket
<p>List the page name and title for each page you will have.</p> <p>For example: Index.html = All About Christmas Gallery.html = Christmas Photo Gallery</p>	<p>Draw a sketch of your layout below. If your layout is not complete, explain why.</p>	<p>Were you able to create your buttons today without much trouble? If you had trouble, explain what.</p>	<p>Were you able to create your footer today without much trouble? If you had trouble, explain what.</p>	<p>Describe how your site is coming along so far? Are you having any difficulty? What help do you need?</p>
