Do Nows/Exit Tickets - Web Design 7th Period March 17th - March 21st

Monday - Do Now	Tuesday - Do Now	Wednesday - Do Now	Thursday - Do Now	Friday - Do Now
<p>Look at the grading requirements for this project and list 3 things this project must have.</p>	<p>What kinds of information will you see in the sidebar of a site?</p>	<p>Today you will save your index page four more times changing the name each time. List the page name and title for each page you will have.</p> <p>For example: Index.html = All About Christmas Gallery.html = Christmas Photo Gallery</p>	<p>What is your goal to have completed by the end of class today?</p>	<p>What is your goal to have completed by the end of class today to be able to publish on Monday?</p>

Monday – Exit Ticket	Tuesday – Exit Ticket	Wednesday – Exit Ticket	Thursday – Exit Ticket	Friday – Exit Ticket
<p data-bbox="285 220 573 321">Describe what you did to create your background today.</p>	<p data-bbox="594 220 919 391">How is your site coming along? What difficulties are you having? What have you done to get help with those?</p>	<p data-bbox="940 220 1287 431">Your goal is to be ready to publish on Monday. Create a schedule for yourself for the next two days to complete your site and publish on time.</p>	<p data-bbox="1308 220 1612 321">Did you meet your goal from you do now? If no, explain why.</p>	<p data-bbox="1644 220 1948 321">Did you meet your goal from you do now? If no, explain why.</p>
